Dan, I've left emails with Peter Lynn and Larry Adamson.

Meanwhile, Dawn, our Americorps worker, knows many people who live there. Here is just a snippet of what she told me this morning.

1. One guy, who has a job at Jiffy Lube, his name is Dimson Velasquez, is planning to stay until the last day because he has no where to go. He says no one is helping them to find a new place.
2. Another woman, has five children, and she doesn't know what to do. Her name is Qiana Williams. They have not offered her any transition help.

If you are interested, I think Dawn could arrange for us to meet with these folks to corroborate the situation?

Kerry

Thanks, Kerry. Let's do this. Can we put this at the top of the agenda for First Friday (luckily, this Friday)? Hopefully we will have heard from Peter and Larry by that point and will have more information to inform how to move forward to help these folks.

Thank you so much for reaching out to Peter and Larry. I hope they get back to you soon.
